

Overview of Training LLMs from Scratch

Instructor

Sourab Mangrulkar

Machine Learning Engineer at

Creator of PEFT

About me

Sourab Mangrulkar

Machine Learning Engineer at

Creator of PEFT

- **Professional Experience**

- Data & Applied Scientist at Microsoft
- Applied Scientist at Amazon
- Machine Learning Engineer at Hugging Face

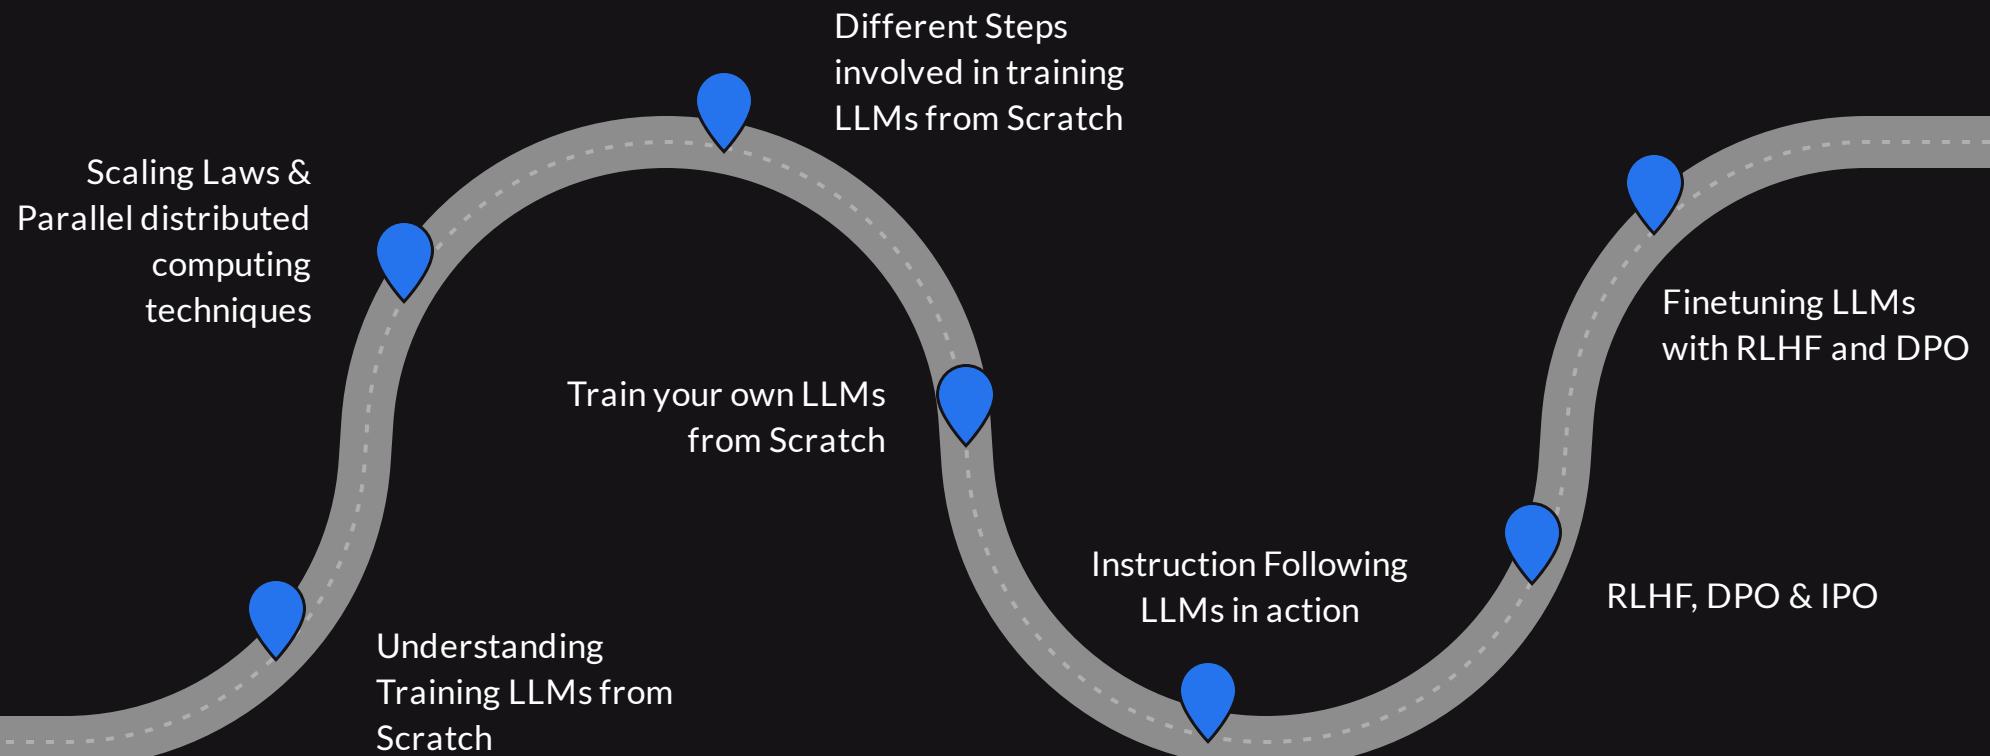

- **Areas of Expertise**

- Large Scale Model Training and Inference
- Multilingual and Multimodal modelling
- Natural Language Processing
- Computer Vision
- Deep Learning

- **Key Contributions**

- Core Contributor to Hugging Face Accelerate
- Contributor to Transformers Trainer API
- Creator of PEFT (Parameter-Efficient Finetuning)
